

Explore the World from the comfort of your home

**Linda Besse** is creating an *Armchair Safari!*

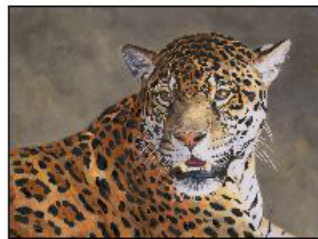

Inspired from her travels from Africa to Iceland, the Arctic to the Antarctic, the Old World to New Zealand, each original oil painting, whether it is a far-flung location or something she saw in her backyard, captures a special moment in time.

These are the first ones off Linda's easel.

Linda's *Armchair Safari* brings the adventure home!
